Subject: Clarification of Notice N 8110.114

This memorandum clarifies the paragraph references identified in FAA Notice N8110.114, *Placing Service Information into the Federal Docket Management System*, effective 09/28/2011. This notice extended the cancellation date from 09/28/2011 to 09/28/2012 for the now expired notice N 8110.112 on the same subject. When converting to the new notice format, the "Effective Date" paragraph was removed from the body of Notice N 8110.114. The paragraph references were inadvertently not updated from the old notice format to reflect the new paragraph numbering. Therefore, this memorandum provides the correct paragraph references for Notice N 8110.114 as follows:

1. Replace the language in paragraph 5.a. from "Except as specified in paragraph 5.a. of this notice, ..." to "Except as specified in paragraph 4.a. of this notice, ..."
2. Replace the language in paragraph 5.c. from "... written consent of the DAH in the manner described in paragraph 6.a. of this notice." to "... written consent of the DAH in the manner described in paragraph 5.a. of this notice."
