## Memorandum

Date: April 7, 2016

To: Manufacturing Inspection District Offices (MIDOs)

From: *for* Susan J. M. Cabler, Acting Manager, Design, Manufacturing, & Airworthiness  
Division, AIR-100 

Prepared by: John R. Donaldson, Surveillance & Oversight Section, AIR-143

Subject: Deviation to Order 8120.23 Certificate Management of Production Approval Holders for Waiver of Quality System Audit Qualification Credentials to Members of the International Supplier Control Audit Team

Memo No.: AIR100-16-140-DM06

---

---

This memorandum authorizes a deviation to FAA Order 8120.23, Certificate Management of Production Approval Holders, paragraphs 3-22.a, 3-22.b, and 3-23.a, to allow the waiver of Quality System Audit (QSA) team lead and team member qualification criteria for all FAA inspectors actively participating as members of the International Supplier Control Audit Team.

If you have any questions, please contact the Surveillance & Oversight Policy Section at (202) 267-1575.
