Supplemental Type Certificate

This certificate has been reissued to replace the original certificate reported as lost.

Number ST02472LA

This Certificate issued to Robert Alan Eustace
205 Hanna Way
Menlo Park, California 94025

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product Type Certificate Number: A12EA

Make: Gulfstream

Model: GV, GV-SP

Description of Type Design Change: Installation of baggage door parachute jumping and cargo delivery procedure in accordance with FAA Approved Master Data List, Revision IR, dated August 18, 2013, Airplane Flight Manual Supplements, for GV, dated August 13, 2013, for GV-SP, dated August 13, 2013, or later FAA Approved Revisions.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 22, 2010

Date reissued: October 13, 2016

Date of issuance: August 30, 2013

Date amended:

By direction of the Administrator
