# Supplemental Type Certificate

Number: SA01194NY

This certificate issued to: Griggs Aircraft Refinishing, LLC.  
17 Runway Road  
Tunkhannock, PA 18657

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product – Type Certificate Number:  
3A21

Make: Cessna Aircraft Company  
Model: 210(L,M,N,R)/T210(L,M,N,R)

Description of Type Design Change:

1. Installation of a Freon-Type electric motor driven Air Conditioning System in accordance with O&N Aircraft Modifications, Inc. "Installation Drawing Lists X-2000, Cessna Models 210 - T210, Electric Motor Driven Air Conditioning System," Report No. X-2000, Revision A, dated February 10, 2000.
2. O&N Aircraft Modifications, Inc., FAA Approved Airplane Flight Manual Supplement No. 50, approved April 18, 2000 is required with this modification.

Limitations and Conditions:

1. This installation is limited to those models of aircraft with the optional Cessna 95 amp alternator or larger capacity installed.
2. The installer must determine whether this design change is compatible with previously approved modifications.
3. If the holder agrees to permit another person to use this certificate to alter a product, the holder must give the other person written evidence of that permission.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, and revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

Date of Application: March 31, 1999

Date Reissued: June 8, 2015, September 4, 2015, October 15, 2015,  
June 22, 2016

Date of Issuance: April 18, 2000

Date Amended:

*By Direction of the Administrator*

New York Aircraft Certification Office

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).
